From: Jim DeWitt

RE: Post-Closure Part B Permit Application Deadline Extension:

On August 30, 1991, CAMF sent a letter to DEP and EPA, on behalf of the companies subject to the Part B Call, requesting an extension of the application submittal deadline 180 days.

DEP has responded to this request.

In a letter from Commissioner Keeney, in concurrence with EPA, DEP stated that an across-the-board extension for the submittal deadline would not be granted. However, the agencies would consider individual requests on a case-by-case basis. A copy of Commissioner Keeney's letter is enclosed.

If you have any questions, please call me at 527-3036 or the individuals referenced in the attached letter.

Thank you.
