Subject: Consent Order No. 1924

Dear Mr. Phouthakoun:

The above referenced consent order has been sent to the wrong respondent. The Stratford Army Engine Plant is owned by the Department of the Army. The permits to operate the facility are under the Department of the Army's name. The operation of the facility is under the direction of the Department of the Army. The previous correspondence concerning "consent order 1924" has all been directed to the Department of the Army. Ferguson-Williams LLC. has no authorization to act on the Army's behalf to settle any "consent orders". The resolution to "consent order 1924" will have to come from the Department of the Army, and the Department of Justice. Please reissue this "consent order 1924" to.
