Mr. Marc J. Otfinoski
Sanitary Engineer
Industrial Permit and Enforcement Section
CT Dept. of Environmental Protection
165 Capitol Ave.
Hartford, CT 06106

Dear Mr. Otfinoski:

Enclosed for your section's review and approval is the drawing showing the construction plans at the Avco Commercial Maintenance Center in connection with the application for permit.

As discussed by telephone the Project Engineer, Mr. Monelli, has provided this drawing per his understanding of the request. If this is not what is being sought please contact me as soon as possible.

Sincerely,

John Fleming, Chief
Environmental Engineer
