Dear Mr. Johnson:

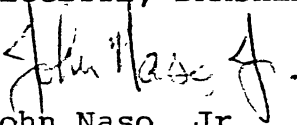

As requested by Mr. Nosenzo of the AVCO Lycoming Division located in Stratford, Connecticut, I am forwarding a copy of our third quarter/second year ground-water monitoring report.

For your information we are in the process of preparing a work plan that, if implemented, should assist the AVCO Lycoming Division in meeting the requirements of 40 CFR 264 Subpart F.

Please contact me if you have any questions.

Very truly yours,
