RE: Clean Water Act Administrative Order
Docket No. 93-35

Dear Mr. Parker:

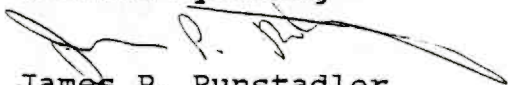

This letter is to serve notice that the following compliance order has been accomplished:

By August 31, 1993, complete construction of berms around the steam cleaning areas contiguous to Building No. 9.

The action was completed August 24, 1993. All steam cleaning operations conducted at the Maintenance Garage Building 9 are now performed within the bermed area.

If you have any questions regarding this information please call me at (203) 385-3741. Thank you.

Sincerely,
TEXTRON Lycoming

James P. Runstadler
Manager, Environmental Services
