RE: Clean Water Act Administrative Order  
Docket No. 93-35

Dear Mr. Fierra:

This letter is to serve notice that Textron Lycoming has completed the following July 31, 1994 compliance order deadlines:

Completion of the consolidated Building 2 and Building 9 steam cleaning operations and installation of an oil and water separator.

Completion of alterations to the waste tank farm to allow oil to be pumped directly to the waste oil tanks.

If you have any questions regarding this information please call me at (203) 385-3741. Thank you.

Sincerely,  
**TEXTRON Lycoming**
