

STATE OF CONNECTICUT
DEPARTMENT OF ENVIRONMENTAL PROTECTION

NOTICE OF ALLEGED VIOLATION

TO: Allied Signal Engines (formerly AVCO Corporation,
Textron Lycoming Turbine Engine Division)

The purpose of this notice is to inform you of violations which the Department of Environmental Protection has reason to believe occurred at your facility/property based upon our review of your discharge monitoring reports (DMRs). Be aware that DEP may take action in the future to collect penalties for the alleged violations listed below, and that if these alleged violations are not corrected, penalties will continue to accrue. (See paragraph B.3 below.) In addition, this list is not necessarily all-inclusive. It is your responsibility to comply with all legal requirements whether or not the Department notifies you of a violation.

A. The Division of Permitting, Enforcement & Remediation, Bureau of Water Management, Department of Environmental Protection ("Department"), has reason to believe the following alleged violations occurred at your facility/property at: 550 Main Street, Stratford, CT 06497

1. Violated the effluent limitations in Permit No. CT0002984 for the following parameters in the following months:

Within fifteen days of the date you become aware of a change in any information in the Compliance Statement, or that any information was inaccurate or misleading or that any relevant information was omitted, submit the correct or omitted information to the person identified above.

2. Other violations may exist; Legal obligations. This Notice does not necessarily specify all violations which may exist at your facility in this or other areas regulated by the Department. It is your responsibility to comply with all legal requirements regardless of whether the Department notifies you of any violation or takes any enforcement action against you. Nothing in this Notice relieves you of other obligations under applicable federal, state and local law. Your facility may be inspected pursuant to law and without additional prior notice to determine compliance with state and federal law.

- 3. Penalties; Further enforcement action. Civil penalties of up to \$25,000 may be sought for each of the above violations under Section 22a-438 of the Connecticut General Statutes, and such penalties apply for each day that the violations have existed and each day that they continue. Regardless of the issuance of this Notice, the Department may seek such penalties for any violation and may also issue an order, seek an injunction or take other legal action under Chapters 439 and 446k of the Connecticut General Statutes.
- 4. No assurance by Commissioner No provision of this Notice and no action or inaction by the Commissioner shall be construed to constitute an assurance by the Commissioner that the corrective actions taken will result in compliance.
