

STATE OF CONNECTICUT
DEPARTMENT OF ENVIRONMENTAL PROTECTION

CERTIFICATE OF COMPLIANCE

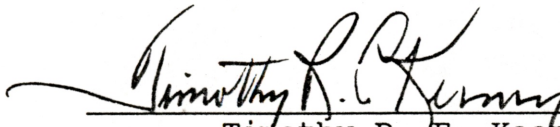

In accordance with Section 22a-434 of the General Statutes, I hereby find that as of November 02, 1992, Textron Lycoming has fully complied with Order No. HM-358 which was issued by the Commissioner of Environmental Protection on September 25, 1986 (modified November 26, 1986).

Nothing in this certificate shall affect the Commissioner's authority to institute any additional proceeding to prevent or abate violations of law, prevent or abate pollution, recover costs and natural resource damages, and to impose penalties for violations of law. If at any time the Commissioner determines that Textron Lycoming's actions under Order HM-358 have not fully characterized the extent and degree of pollution or have not successfully abated or prevented pollution, the Commissioner may institute any proceeding to require further investigation or further action to prevent or abate pollution.

No provision of Order No. HM-358 and no action or inaction by the Commissioner shall be construed to constitute an assurance by the Commissioner that the actions taken by Textron Lycoming will result in compliance or prevent or abate pollution.

Nothing in this certificate shall relieve any person of other obligations under applicable federal, state, or local law.
