RE: Clean Water Act Administrative Order
Docket No. 93-35

Dear Mr. Fierra:

This letter is to serve notice that Textron Lycoming has completed the August 31, 1994 compliance order deadline for installation of a filtration system in Building 16. All floor discharge from the Building 16 Engine Test Cells is now directed through the Zenon Ultrafiltration System prior to discharge to the sanitary sewer.

If you have any questions regarding this information please call me at (203) 385-3741. Thank you.

Sincerely,
TEXTRON Lycoming

James P. Runstadler
Manager, Environmental Services
