22 September 1986.

Dear Commissioner Pac:

The U.S. Army Aviations Systems Command (USAVSCOM) submitted RCRA Application Parts A & B in order to begin closure of the subject lagoons at Stratford Army Engine Plant.

The closure plan was submitted to your office for your review in October 1985. Comments to the plan were received via reference (a).

Please be advised that USAVSCOM has hired the firm of Metcalf & Eddy, Inc. through the U.S. Army Corps of Engineers-N.Y. District in order to perform the necessary work per Directive 1 of the reference (a) abatement order. Negotiations with Metcalf & Eddy, Inc. were concluded on 1 December 1986 and Metcalf & Eddy, Inc. will commence work upon receipt of authorization to proceed.

Very Truly Yours,

Stanley J. Pacinski P.E.
