Re: Soil Vapor Monitoring Results, March 2005, Stratford Army Engine Plant

Dear Mr. Feathers:

The results of the March 2005 soil vapor monitoring are enclosed. This is the second round of vapor data collected from permanent locations. The first round was included with the Final RI submitted to you in September 2004. The next round of vapor monitoring is planned for June 2005. I have enclosed two copies of the report for your files. If you have any questions please contact Mr. Wes LaParl at (203)-385-4316 or by email at wlaparl@plexsci.com

Sincerely,

Peter W. Szymanski
Installation Manager
