PETER W. SZYMANSKI
U.S. ARMY
STRATFORD ARMY ENGINE PLANT (SAEP)
550 MAIN ST
STRATFORD, CT 06615-7574

Dear Applicant:

This letter is to confirm the receipt of the following application package:

Permit Type: RCRA PART B PERMIT
FACILITY: STRATFORD ARMY STRATFORD, CT

Your application has been assigned the following application number: **200802245**
Please include this number on all correspondence regarding this application.

As of today, the following materials have been received:

ITEM	REQUIRED FEE	FEE RECEIVED	RECEIVED ON
Application Package			SEPTEMBER 3, 2008
Application Fee:	\$ 3,750.00	\$.00	

The application fee for this application has not yet been received. Your application will not be processed until it is paid in full. All payments should be made to the Central Permit Processing Unit, Department Of Environmental Protection, 79 Elm Street, Hartford, CT. 06106-5127.

If there are any questions regarding this notice, please feel free to contact the Central Permit Processing Unit at (860)424-4004.

Your application has been forwarded to the appropriate permit program. As a reminder, depending on the type of permit you are seeking, you may be required to publish notice of your application in accordance with Section 22a-6g of the General Statutes and submit a copy of such notice to DEP. If this is the case, DEP will not process your application further until we have received the certified copy of such notice.

If you have specific technical questions regarding your application, please contact the permit program directly:

WASTE ENGINEERING PERMIT STAFF (860) 424-3372

Please be aware that any work without the permits or authorizations required by **Section 22a-454 CGS**

is a violation of state law, and may subject you to enforcement action. Also, the application review process is a continuing one. The department may request further information to evaluate your application.

Thank You.

Sincerely,

Central Permit Processing Unit
