

# STATE OF CONNECTICUT DEPARTMENT OF ENVIRONMENTAL PROTECTION OFFICE OF LONG ISLAND SOUND PROGRAMS

## Notice of Coastal Consistency Review Town of Stratford

The Department of Environmental Protection has received a request submitted by United States Army (the applicant) pursuant to section 307(c)(1) of the Coastal Zone Management Act to review proposed activities for consistency with enforceable policies of Connecticut's federally approved Coastal Management Program contained in sections 22a-90 to 22a-98 of the Connecticut General Statutes. Specifically, the applicant proposes to perform remediation activities on the "Causeway" at Stratford Army Engine Plant, 550 Main Street, Stratford. Such activities will primarily include the construction of an engineered cover system.

Interested persons may inspect the application by contacting Dorothy Bossio, Stratford Army Engine Plant, Outreach Office, Building 1 - Room 30, 550 Main Street, Stratford, CT, 203-385-6626. The proposal is also available for inspection at the Office of Long Island Sound Programs, Department of Environmental Protection, 79 Elm Street, Hartford, from 8:30 - 4:30 Monday through Friday.

All interested parties are invited to express their views on this proposal. Written comments on the application must be submitted to the Department no later than September 25, 2001. Comments or questions regarding this notice should be directed to Margaret Welch, Office of Long Island Sound Programs, Department of Environmental Protection, 79 Elm Street, Hartford, CT 06106-5127, (860) 424-3034.
