

Public Notice

Notice is hereby given that the United States Army is providing the period between December 3, 2002 and January 5, 2003 for public review and comment on the Finding of Suitability to Lease (FOSL) for the Stratford Army Engine Plant (SAEP), located at 550 Main Street in Stratford, Connecticut. The purpose of this FOSL is to document the environmental suitability of the SAEP for leasing to the Town of Stratford consistent with United States Department of Defense and Army policy. Copies of the FOSL will be available for public review at the Administrative Records Office Room 30, Building 1, SAEP, 550 Main Street, and the Stratford Library Association Reference Department, 2203 Main Street also located in Stratford, Connecticut. Written comments from the public should be sent to:

Mr. Peter Szymanski, SAEP Installation Manager
Stratford Army Engine Plant
550 Main Street
Stratford, Connecticut 06615

Comments from the public must be postmarked no later than January 5, 2003.
